The following warranty applies to all first quality Mannington Commercial vinyl composition tile (VCT) products when installed in accordance with Mannington's Commercial Installation Guide.

Essentials...& Inspirations... Designer Essentials...Brushwork... Premium Vinyl Composition Tile Limited 5-Year Commercial Warranty for manufacturing defects and wear.

The Mannington Commercial vinyl composition tile floor you purchase is guaranteed free from defects resulting from the manufacturing process for a period of five years from the original purchase date.

If there is a manufacturing defect in your floor and it is reported within the first year from the original purchase date, Mannington will authorize repair or replacement at no charge and will pay for reasonable labor costs.

If there is a manufacturing defect in your floor and it is reported in the second year from the original purchase date, Mannington will authorize repair or replacement of the defective material and will pay 50% of reasonable labor costs.

If there is a manufacturing defect in your floor and it is reported in the third, fourth, or fifth year from the original purchase date, Mannington will authorize repair and replacement of the defective material, but will not cover labor costs.

The Mannington Commercial vinyl composition tile floor you purchase is guaranteed not to wear through within five years of the original purchase date. If a Mannington Commercial vinyl composition tile floor should wear through and it is reported within the first year of the original purchase date, Mannington will authorize repair or replacement at no charge and will pay for reasonable labor costs. If a Mannington Commercial vinyl composition tile floor should wear through and it is reported in the second year from the original purchase date, Mannington will authorize repair or replacement and will pay 50% of reasonable labor costs. If a Mannington Commercial vinyl composition tile floor should wear through and it is reported in the third, fourth, or fifth year from the original purchase date, Mannington will authorize repair or replacement of the defective area, but will not cover labor costs.

Because Essentials and Inspirations are through pattern tile; wear is defined as wear through the complete product down to the underlayment or underfloor.

Mannington's obligations under this warranty are subject to the exclusions stated below.

There are no implied warranties, including merchantability and fitness for a particular purpose, extending beyond the term of this written warranty. Some states do not allow limitations on how long an implied warranty lasts, so the preceding sentence may not apply to you.

IMPORTANT NOTICE: All warranties apply to the original user and are not transferable under any conditions. If a Mannington Commercial VCT floor is replaced under warranty, the replacement floor will be an equivalent Mannington Commercial VCT product and will be warranted under the terms of this warranty for the balance of the five-year life of the original warranty.
